PAT HILL UNABLE TO ACCEPT RENOMINATION AT AGM

At the December 84 General Meeting we learnt that Pat Hill will be unable to continue as club Treasurer after the end of this financial year. He has performed his duties in a most capable manner for many years, and he will be sorely missed.

His inability to accept re-nomination as Treasurer will create an excellent opportunity for another suitably qualified member to become actively involved in the management of the club. In announcing his impending retirement, Pat invited members to give serious thought to nominating for this interesting and challenging position.
