I personally met many people who have been Members for years but whom I haven't seen before, as well as many of our visitors. I know that they enjoyed themselves, and I hope that they will in future use our club more often.

Your Easter Committee consisted of Bill Strangways (chairman), Ian Sando, Ian Power, Robert and Chris Henshall, David Rawnsley and Bernie Matzat. We co-opted many other Members, and without their help we could not have had such a great time. David Harries was particularly helpful, together with Jeremy Walsh at the bar, the caterers and other staff who worked tirelessly to create a marvellously successful occasion in the history of the Squadron.

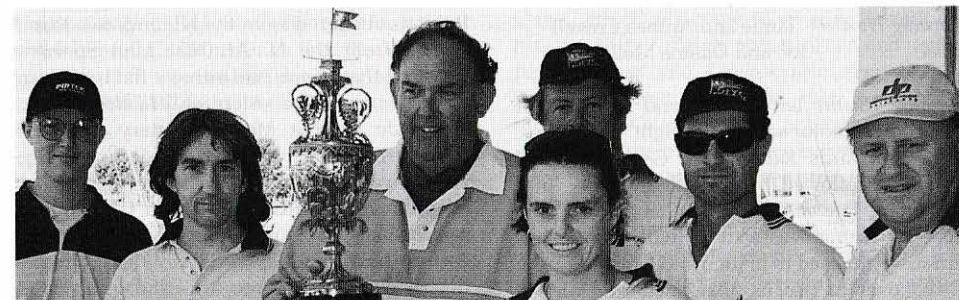

As Members of RSAYS, you can be justifiably proud of the job done by the formal committee, and by everybody who put so much into it. There is no doubt that the atmosphere and general feeling displayed very strongly that we are truly a vibrant club. SQ
