

New-design yacht ready

A 33½-ft. yacht of a design new to Australia will be launched at Outer Harbor tonight by Mr. A. H. Jordan, of Henley Beach.

Mr. Jordan, helped by a professional boatbuilder and the future crew, has been working on the yacht, *Celeste* for 17 months.

The *Celeste* is a single-masted cutter of the Albatross class, the Swedish design which won the transatlantic race in 1951.

Mr. Jordan will use the *Celeste* for racing and cruising.
