Prout Catamarans

(S.A. AGENCY)

Think of one good reason why you should buy a Prout Snowgoose cruising Catamaran instead of a mono-hull, and we will give you twelve:

1. UPRIGHT
2. SPACIOUS
3. FAST
4. STABLE
5. SAFE
6. COMFORTABLE
7. SHALLOW DRAFT
8. TRIED & PROVEN DESIGN
9. RELIABLE
10. EASY SLIPPING
11. COST EFFECTIVE
12. ENJOYABLE

For more details on this English designed, Australian built cruising machine.

Ph: (08) 363 2050 or Fax: (08) 362 1842

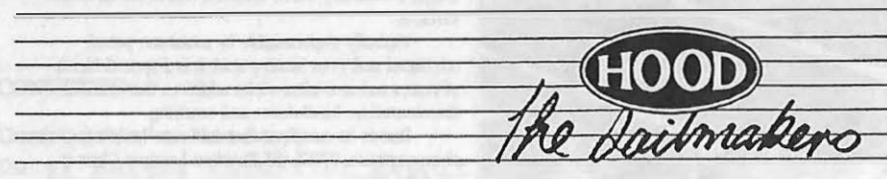

Demonstrations are available.
 Partnerships are also an option.

PLOT YOUR SUCCESS!

WITH HOODS COMPUTER PLOTTED SAILS

- * RACING - Spectra, Kevlar, Mylar, Dacron

Developed in the laboratory.
Proven on the waters of the world.

EPIGLASS Reaction Lacquer Clear
EPIGLASS Spar Varnish
EPIGLASS Goldspar

Tough-as-nails, clear boat coatings.

At last there is a full range of crystal-clear, tough-as-nails varnish coatings specifically formulated to match the task at hand, and the harsh punishment all boat surfaces receive.

The first is EPIGLASS Reaction Lacquer Clear. A two-part polyurethane formulation that provides a tough, chemically-cured abrasion-shield for all timber surfaces.

Virtually impenetrable by moisture, petrol, oil, diesel and even battery acid, it is a special blend of resins and anti-ultra-violet additives that resist discolouration, breakdown and cracking.

Due to its excellent flow and coat-building characteristics, EPIGLASS Reaction Lacquer Clear is ideal for spraying, as well as being tough enough to be cut and polished when used as a final coating on high performance yachts that are not constantly immersed.

The second is EPIGLASS Spar Varnish. To be used in interiors where constant sunlight exposure is unlikely, EPIGLASS Spar Varnish both protects and enhances the natural appearance of timber, and is available in satin and gloss finishes.

The third is EPIGLASS Goldspar. A one-pot exterior varnish that is ideally-suited to surfaces like cabin topsides, coamings, and masts. A premium quality yacht and boat varnish, EPIGLASS Goldspar gives excellent results with a brush.

It provides a flexible, chip-resistant finish that absorbs knocks and sharp impacts and combats surface breakdown due to ultra-violet exposure.

Find out now about the range of crystal clear varnish coatings by calling Epiphone on 008 022 896 or completing and sending the coupon below to:

Epiglass (Australia) Pty Limited
Suite 401, Level 4, Maritime Square
Birkenhead Point Centre, Cary Street
Drumoyne, NSW 2047, Australia

I want to know more about EPIGLASS varnish coatings for my boat.
