Description:

Classic Cruiser 47ft Huon WW2 Royal Historical flag vessel (Sydney Harbour) No Reserve !!!!! Please read terms & conditions carefully before you bid thank you things to know & do 1 she sank full restoration needed (see notes)2 engine will need rebuild or replace (not running)3 will need slipping now must arrange before bidding Now the good news 1 MV Flight important and historic vessel to Australia2 built in Norfolk Tasmania in the 1940s of Huon pine 3 frames are hard wood laid deck strong mostly good 4 lister diesel not treated after sinking not running 5 Sailing & passenger history (see notes below)6 weight of vessel light ship is 21 tons (light ship)7 work on hull in May 2017 & \$ 6000 at boat yard8 anchor not tested bunks 2 doubles and single bunks9 enclosed toilet long galley control room & storage room10 in modern history sold for \$ 150,000 before sinking 11 all photos are currently taken Sydney last week12 on register of 100 vessels most important to Tasmania13 she has mail poor weather bridge & flying bridge too 14 opening port holes many classic fittings and modern 15 flying bridge with great canopy and s/s frame fitted 16 a pretty stylish vessel of 1940s that glides though water17 photos of this vessel can be found of her in 1940s on net18 also photos of her out of water at last slipping on net too19 more history can be found with little effort can be done20 last photo number 12 is in the 1940s in Tasmania wow ! 21 will be sold No Reserve! Yippee the notes she sank full restoration needed (see notes) she sank a few years ago due to failing toilet seacocknot hull some work has been done since raised she sankin 27 meters of water to a muddy bottom she sat there for about 6 months and was very carefully raised to surface over weeks with commercial divers and float bags then slipped and all sea cocks corked she was on surface on 6/3/2018 and slipped 7/3/2018 she is very dirty below and has bent bow rail at this time the hull was tight and looked in good order on slip 7/3/2018 she hasn't been slipped and is recently taking on water for this reason you will need slipping now yes can assist with boat yard contacts for trucking or restoration boat yards and truck will need to talk with you and you will need to have a plan and costings before bidding as buying the vessel will be cheaper that restoration Sailing & passenger history (see notes below) MV Flight important and historic vessel to Australiawas built in Norfolk Tasmania in the 1942 as a private vessel though was used in war time WW2 as a patrol vesselfor the Tamar river she sailed bass straight many times and has circumnavigated Tasmania twice she has sailed Melbourne Adelaide we believe that HM the Queens & Prince Phillip to watch sailing regatta in 1960s the vessel did have royal seat fitted a plate down below in 1993 she was the flag vessel for Derwent sailing Squadron she sailedunder her on power to Sydney about in about 1998 and has been here ever since Final Comments here is a once in a life time opportunity to own /custodianof the vessel of style class and history are you able to take MV Flight to the next level and restore her then take the controls on the flying bridge sail on and make more historyfor this fine classic vessel Special service for auction winner !!!!!
