

Sparkman & Stephens 30

'Hannah' Is undoubtedly one of the best presented, looked after boats I have seen this age. She is a lovely boat clean and uncluttered inside and out. Her service history is very good her overall condition excellent engine replaced in 2002. 'Hannah' is the perfect cruising boat or day sailor the cockpit is open due to the traveller being mounted above the companion way on the deck. She is tiller steered so at anchor the tiller can be lifted to give you more room in the cockpit. This is a great little boat for the money she is ready to hop on and go sailing no start up maintenance required.
