

INFRA RED (1) — 182

LOA 11.0 m; LWL m;

Beam 3.5 m; Draught 2.0

Long time between Hobarts, Infra Red, in 1981, came 50th. Only recently she has been racing with the RSYS in offshore races with creditable results. Her crew are well versed in local racing. She is not expected to perform particularly well in such a long race in waters largely unknown to the yacht.

CREW: R. Southwood (Skipper) (-), C. Panton (Navigator) (-), G. Otto (-), A. Carter (-), P. Dobson (-), P. Shaw (-), C. Smith (-), D. Morrison (-).
