

Navis Henry Dutton Terra Alta Schooner  
~~off~~ Masts had big rake low clipper  
counter stern was a pilot vessel and was  
sold to Lever Bros the main cabin was  
converted to a hold for carrying cargo  
mostly copra from around the Pacific  
Islands.

Mr Dutton replaced Navis with a fine  
Schooner rigged yacht named "Vera" built  
in England and sailed out by a crew  
Veru had a small steam engine as an  
auxiliary, she was built back to  
England and Mr Dutton had the steam  
yacht "Adèle" built in England
