first series that the racing committee had to 'go it alone', however there was still considerable assistance from the Office in preparing sign-on sheets and race instructions and for this my thanks go to Anne Nelson.

Rick Ottaway, who has spent 25 years on the Sailing Committee has decided to 'hang up his

hat'. Rick is a mine of information on all aspects of racing, including his pet subject of Rules & Regulations and has always come up with a suggestion on a problem. Rick was presented with a mounted and suitably inscribed 'Logo'.

The Winter Series is due to start on 6 June. See you on the water. SQ
