

KESTREL – SA 55

**LOA 37.0'; LWL 30.0'; Beam 11.75';
Draft 7.25'**

An Alan Blackburne designed 1-tonner of foam sandwich construction, Kestrel finished in the first half of last year's fleet and should improve this year.

A South Australian entrant.

CREW: Not available at press date.

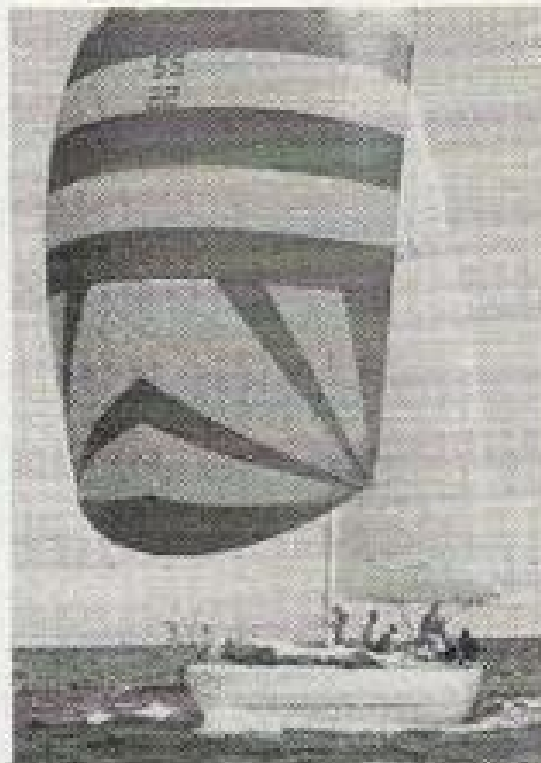

KESTREL – SA 55

**LOA 36'10"; LWL 30'; Beam 11'10";
Draft 7'3"**

An interesting one tonner designed by Alan Blackburne, Kestrel is of foam sandwich construction, one of the first to use this medium in Australia. She has been competing in South Australian events with no known results, but could be one to watch.

CREW: Skipper/Navigator R.H. Fidock (7), C. Nye (1), R. Baumann (2), D. Rohrshein (1), R. Lawson (2), G. Turley (1), D. Seret.

KESTREL – SA 55

LOA 37'; LWL 31';

Beam 11'10"; Draft 6'6"

Kestrel is an Alan Blackburne 1-tonner launched in 1976. She has competed in two Sydney-Hobarts with moderate success (28th overall was her best effort, in 1976). She has performed well this year winning the RSAYS offshore point score.

CREW: Skipper/Navigator R. Fidock (10), G. Beottcher (4), S. Moody (1), R. Last (1), A. Sakers, B. Wooding (1), J. Gleason.
