

spots. May the crews on all of them have a good time.

Magic Sold.

Messrs. Russell & Wald have sold the yacht Magic. She is to be used as a fishing cutter. The old craft is a staunch vessel, and as fine a seaboat as one could wish to sail in. In becoming a fishing cutter she has but followed the precedent set by the Zephyr, Edith, Enchantress, Beatrice, and other yachts which gained a high reputation in their day for their seaworthiness and cruising qualities.
