

Northshore 38

The Northshore 38 is a well built quick cruising vessel. I have owned her for ten years. Doing local and gulf crossings plus several Kangaroo Island trips. I have made improvements over this period. Fitted the rear targa to accommodate solar panels, ariel dabbies. The pushpit has fold down ladder, outboard bkt and gas barbecue mounted there is also a cage for horseshoe life ring. Fitted dodger, boom bag, self stowing anchor bkt. The standing rigging was replaced six years ago. Below deck I have put 12 volt fridge. Gas conversion for stove and

new water pressure pump. Plus new s/s water tank with clean out ports. There is another tank (decommissioned by previous owner). The interior upholstery and timber work is very tidy. I also enclosed the starboard shelf for more practical storage to match original port side. The original hot water service was decommissioned by previous owner and the eutectic fridge needs checking. I haven't needed it since 12volt unit was installed.

vessel 11.60 length
beam 3.8
draft 1.85 cast iron keel
motor Volvo 2003 series 3 cylinder 28 hp new exhaust elbow last year
fuel 90 litres
water 80 litres tank 6 years old with cleanout ports
dodger boom bag
fixed 3 blade prop 6 knots cruising
radios gme gx558 gme cx287a
Accommodation
vberth
settee berth pilot berth above
3/4 berth starboard rear
Table can slide down for another double if required (no cushion)
3 burner gas stove Smev with oven and grill
licensed gas fit for stove and barbecue battery operated monoxide alarm
water pressure pump
12 volt fridge
folding removable cockpit table
SAFETY
1 pepper flare
Auto pilot wheel mount autohelm
Lowrance plotter hds7
2 batteries
Muir anchor winch
Marsh self stowing anchor spare danforth anchor
1 horseshoe life buoy and life jackets
rear sun shade targa with pullout dabbies
2 105 watt solar panels
SAILING
Main 3 reef points (needs stitching to two top seams)
otherwise good strong sail
furling head sail good condition Furlex furler
2 cockpit 2 speed sheet winches 2 self tailing halyard winches
spinnaker never been out of bag
2 winch handles
4 fenders
