

Motor Yacht Coming

The motor yacht Nyroca, of the Royal South Australian Yacht Squadron, owned by Dr. Tostevin, one of Adelaide's leading eye specialists, will visit Port Lincoln on a cruise during Christmas week. The navigation of the vessel will be in the hands of Mr. A. Pitkin, a former resident of Port Lincoln. After leaving here the boat will go to the Sir Joseph Banks Group and Wedge and Kangaroo Islands, and thence back to Port Adelaide.
