

Jeanneau Sun Fast 36

Redline is a most capable cruiser/racer, equipped with all comforts of a cruiser yet still capable of providing competitive results against more modern counterparts. The Jeanneau Sunfast 36 was designed to provide comfort with performance. She is a 7/8 Fractional rig with a an alloy mast and stainless steel rigging all in good order. For the cruiser/racer there is a twin foil Harken Furling system and a full compliment of sails including Furling Headsail, No 1 light, No 2, No 3, No 4, Storm sails Assy, Symmetrical Spinnakers 9 oz, 1.5oz, and a Bullet Kite. A luxury fit out awaits below with plenty of accomodation. Two aft Cabins and a double bed in the forward cabin provide the accomodation for 9. A large saloon and well equipped galley comprising double sink, oven and Eutetic refrigeration compliment a well sited navigation table and a head/wet room that includes a shower and sink. Instruments include Raymarine Autopilot, Wind, Depth, Speed, (Repeated to Chart Table) GPS, HF, VHF radio. Powered by a reliable Yanmar 3GM30F and a 3 blade feathering prop. Did we mention the Swimming platform with shower and hot/cold water! Redline has everything including Australian Registry if you are planning a COVID escape or would suit syndication as a club racer.
