

MESSAGE FROM THE COMMODORE

The Inkster Memorial Race and Dinner Dance a few weeks ago drew to a close yet another successful sailing and social season for the Squadron.

The enthusiastic committees who work so hard throughout each year to ensure that you, the members, enjoy to the utmost, your yachts and the onshore facilities, deserve our sincere thanks for their fine efforts.

With the AGM imminent, I earnestly request members to consider what they can do themselves for our Club. Unfortunately, there are some committeemen this year who reluctantly cannot accept renomination on some committees due to personal and business commitments. The Squadron will miss their efforts and the experience that have produced many successes.

We need to fill their positions with equally dedicated doers.

Think about how you may be able to assist during the forthcoming season to maintain the standard of our facilities and events, and nominate for a committee as soon as possible.
